- **All PEEHIP Group #14000 exclusions and limitations such as precertification requirements, visit maximums, procedure limitations, age limits, etc. will apply in addition to the exclusions and limitations of the primary insurance coverage.**
- You **must** have a primary insurance plan to be eligible for the PEEHIP Supplemental Medical Plan.
- The PEEHIP Supplemental Medical Plan is designed to only **supplement** your primary insurance plan by covering the copay, deductible and/or coinsurance of your primary insurance plan **or** the preferred/participating allowance, whichever is less.
- There is no monthly premium for a single or family plan when the member uses the employer contribution amount for the PEEHIP Supplemental Medical Plan.
- Only active employees and Non-Medicare retiree members and dependents will be eligible for the PEEHIP Supplemental Medical Plan.
- The Plan does not cover the cost of services excluded by the member's primary group plan.
- An annual maximum amount paid from the PEEHIP Supplemental Medical Plan will be limited to **\$6,850** for individual coverage and **\$13,700** for family coverage.
- To be eligible for reimbursement under the PEEHIP Supplemental Medical Plan, the primary insurance plan must have either **1)** applied the eligible charges to the deductible, or **2)** made primary payment for the services rendered.
- The PEEHIP Supplemental Medical Plan cannot be used as a supplement to Medicare. Active members cannot be enrolled in only Medicare and the PEEHIP Supplemental Medical Plan. In addition, PEEHIP members cannot have the PEEHIP Hospital/Medical Plan, the State Employees Health Insurance Plan, the State Employees Local Government Plan or the PEEHIP Viva Health Plan as primary and the PEEHIP Supplemental Medical Plan as secondary.
- Members who have Tricare or Champus as their primary coverage cannot enroll in the PEEHIP Supplemental Medical Plan.
- Members who enroll in a marketplace (Exchange) plan for their primary coverage cannot enroll in the PEEHIP Supplemental Medical Plan.

- The PEEHIP Supplemental Medical Plan will not pay for amounts in excess of the allowed amount for services rendered by a non-preferred provider, amounts in excess of the maximums provided under the primary insurance plan, any services denied by the primary insurance plan, or any penalties or sanctions imposed by the primary insurance plan.
- When services are rendered by a Blue Cross and Blue Shield preferred provider in Alabama, the provider should file the claim for you and payment will be made to the provider. If your primary insurance plan requires an office copay, this means the PEEHIP Supplemental Medical Plan will reimburse that office copay to the preferred provider.
- In some cases, when a non-preferred Blue Cross and Blue Shield provider in Alabama is used, the subscriber may be required to file the claim. For claims filed by subscribers, an Explanation of Benefits (EOB) from the primary insurance plan must be submitted along with your claim for consideration of benefits under the PEEHIP Supplemental Medical Plan.
- Active employees or Non-Medicare retiree members can enroll in the PEEHIP Supplemental Medical Plan at any time, subject to Federal Tax regulations, by submitting a new enrollment form to PEEHIP.
- Special enrollment back into PEEHIP Hospital/Medical Plan is available for all members who lose their other Group Health Insurance Coverage, provided notice is furnished to PEEHIP within forty-five (45) days of loss of other Group Health Insurance Coverage in accordance with HIPAA requirements.
